Our Volunteer Team

Continuing the legacy of her mother, Jane Seymour, **Katie Flynn** has inspired the Foundation to encourage volunteerism with the creation of the Young Hearts Volunteerism program in 2018. Her vision along with her friends, **Ella Freyinger** and **Adee Zach**, have inspired the Foundation to curate volunteer experiences, helping individuals to find purpose and empowering and raising awareness for the Foundation's charity partners and other causes.

The program engages with volunteers through in-person experiences in the Los Angeles area and virtual experiences that connect our global base of volunteers.
